VIRGINIA WORKERS' COMPENSATION COMMISSION

Statistical Report

For the

Calendar Year

Of

2012

Reporting Change

As of 10/ 1/08 the Commission started an initiative to become paperless by moving to electronic submission and processing of all claims. As of January 2012, all files from our legacy system have been migrated over into our paperless claims processing system.

Please feel free to comment about the new format, making suggestions that would make this report more useful. Where the data is available we will make all attempts to publish it in a format that you should find useful.
