Explanation of Terms

New Files	New files entered on the data base from January 1 through December 31. These correspond to actual file folders created.
Awards Entered	The number of files with one or more awards entered from January 1 through December 31. This is a file count rather than an award count since a single file may have multiple awards processed during the year. Judicial awards are included in this count.
Awards Terminated	The number of files with at least one award terminated from January 1 through December 31. This is a file count since a single file may have multiple awards terminated during the year. Note that the award terminated may have been entered in a prior year. Judicial awards are included in this count.
Other Medical NEC	This category includes such items as prosthesis, nursing care, and prescriptions. "Not Elsewhere Classified." Information that does not conform to the listed categories.

Other Notes

Medical Payments	While the Virginia Workers' Compensation Commission makes every effort to ensure accurate statistics, the data on medical payments should be used with extreme caution. The Commission is continuing to upgrade data quality in this area.
Compensation	Information on compensation paid is based on awards terminated, and does not reflect the amount of compensation currently being paid.
