

**VIRGINIA WORKERS'
COMPENSATION
COMMISSION**

**Statistical Report
for the
Calendar Year
of
2011**

Reporting Change

As of 10/1/08 the Commission started an initiative to become paperless by moving to electronic submission and processing of all claims. As of January 2012, all files from our legacy system have been migrated over into our paperless claims processing system.

Please feel free to comment about the new format, making suggestions that would make this report more useful. Where the data is available we will make all attempts to publish it in a format that you should find useful.

Make suggestions and comments to Questions@vwc.state.va.us

Explanation of Terms

Major Claims	Claims that result in compensatory payments or disputed benefits.
Awards Entered	This is a file count rather than an award count since a single file may have multiple awards processed during the year. Judicial awards are included in this count.
Awards Terminated	The number of files with at least one award terminated. This is a file count since a single file may have multiple awards terminated during the year. Note that the award terminated may have been entered in a prior year. Judicial awards are included in this count.
Other Medical	This category includes those items not specified in the other columns.
NEC	"Not Elsewhere Classified." Information that does not conform to the listed categories.

Other Notes

Medical Payments	While the Virginia Workers' Compensation Commission makes every effort to ensure accurate statistics, however, this data should be used knowing that it is only as good as reported. The Commission is continuing to upgrade data in general.
Compensation Payments	Information on compensation paid is based on awards terminated, and does not reflect the amount of compensation currently being paid.
